What do you do now and what are you planning for the future? I am responsible for the design and development of demonstrative exhibits including: 2D, 3D and 4D animations, scale models, illustrations, diagrams, information design, and multimedia presentations. These exhibits are used in Mediation, Arbitration, Litigation and other legal proceedings. I am also the graphics consultant to the American Bar Association's Forum on the Construction Industry. My plans for the future include graphical support for the Nautilus Consulting staff, in addition to building the demonstrative evidence and graphics division. Our clients, both repeat and new can expect high impact, quality exhibits that are cost effective and win cases.

Hobbies: Antiques, travel

Key to success: Think outside the box.

If you had to choose another vocation what would it be? Teacher
