

Maynard of Zere Real Estate Services completes sale of 1,700 s/f office building

October 21, 2008 - Long Island

William Maynard, associate broker of Zere Real Estate Services, sold a free-standing commercial office building.

The commercial property is a total of 1,700 s/f located at 12 Bank Ave.

Maynard said, " We knew this exclusive listing would not be around for long. There is a big demand for business owners to own in the town of Smithtown. The site is conveniently located in the heart of the Smithtown's Main St. business corridor with easy access to retail, banking, restaurants and area hospitals, in addition to being walking distance to public transportation, the LIRR Smithtown Train Station and local public bus service."

Zere Real Estate Services represented both parties in this transaction, the seller Philip Castrovinci, P.C. and the buyer Michael Hanley, CPA.
