Queens, NY The subway series is a New York City classic. The New York Mets vs. the New York Yankees did not disappoint! The IREM NYC chapter tailgated at CITI Field with members, friends and colleagues on July 27th, and saw a great game. Big thanks to IREM NYC industry partner Erik Todman of Champion Elevator, who sponsored the tailgate and to Frank Socci, CPM, IREM NYC's

in-house barbeque king!
