Cedar Communities

What recent project, transaction or accomplishment are you most proud of?

I'm most proud of our incredible team of over 200 that have adapted to an ever-changing healthcare climate with grace, while simultaneously ensuring each of our residents have a loving, nurturing and caring place to call "home" each and every day.

Tell us about a mentor or role model that has influenced your career choices?

I always admire Warren Buffett for his passion for business and acquisitions, his ability to continuously see his vision through, and most of all, his humility and down-to-earth mentality.

What 3 skills do you consider the most important to be successful in your industry?

Proactiveness, active listening, and a desire for excellence.

What do you enjoy doing when you are not working?

I very much enjoy spending time with my wife and 2 amazing rescue dogs: Tara and Miracle! I am a big supporter of animal rescue ("adopt, don't shop") and always make it a priority to help any injured, vulnerable, or lost animals and wildlife.
