

PWGC hires Benz and Macharie as associates in the Enviro. Division

December 13, 2022 - Long Island

Kylie Benz

Jada Macharie

Bohemia, NY P.W. Grosser Consulting, Inc. (PWGC) hired two new associates.

Joining PWGC's environmental division as field hydrogeologists are Kylie Benz and Jada Macharie. Benz will strengthen our Bohemia office while Macharie will strengthen the New York City office.

Benz is a recent geology and earth and space science dual major graduate from Stony Brook University.

Macharie is an environmental earth systems science graduate from The City College of New York.

Benz and Macharie will work with the environmental unit focusing on remediation and due diligence projects throughout New York. They will provide management, oversight, and documentation on projects, technical field services for environmental investigations, and due diligence inspection services.

"We are very excited to have Kylie and Jada join our roster of professionals," said PWGC president/CEO Paul Boyce, PE, PG. "We look forward to their contributions to our growth going forward."
