

G2D Group brings WorkSmart to LI's Gold Coast

December 13, 2022 - Long Island

Port Washington, NY. Developed by Long Island-based G2D Group, WorkSmart brings a shared workspace at 1 Channel Dr. in January 2023. WorkSmart offers flexible office space and amenities including Wi-Fi, video conferencing abilities, private offices, printing, and scanning services, break areas and mail reception.

The space at WorkSmart is a catalyst for collaboration, providing opportunities for entrepreneurs, freelancers, and startups to build stronger businesses. From large companies seeking a central hub to independent creative professionals looking to connect, WorkSmart can accommodate a team of any size. Flexible meeting areas equipped with technology are perfect for in-person, virtual, or hybrid meetings.

With its modern sensibilities, the sleek design of the space creates a professional and inviting environment for individuals; the surroundings inspire productivity, therefore maximizing output on the job.

WorkSmart is a place for bridging the gap between communities and companies, and giving employees the opportunity to report for work in a beautiful and safe environment.
