

2022 Year in Review: Anthony Stancanelli, Phronesis Engineering

December 27, 2022 - Spotlights

Anthony Stancanelli
Director of Operations

Phronesis Engineering & IREON Member

How has your career path changed in 2022? For over 20- years I have practiced civil engineering, working at some of the most notable firms in the industry. This past year I was given the opportunity to take on a leadership role, spearheading Phronesis Engineering. The ability to lead a strong civil division and support the goals of the real estate development community has been a major accomplishment in my career path.
