

Hopple named partner at LERA

January 31, 2023 - Front Section

Patrick Hopple

Manhattan, NY According to LERA Consulting Structural Engineers (LERA), an award-winning structural engineering consulting firm, Patrick Hopple, P.E., has been named a partner.

With the firm since 2006, Hopple is a leader of LERA's federal government and local civic practice. Currently, he is overseeing LERA's effort for projects with Overseas Building Operations (OBO) on new embassies and consulates worldwide.

Hopple is leading mass timber, alternate concrete structures and climate security research for OBO and has worked on several high-profile cultural, education and healthcare projects domestically.
