

Bigge and Liebherr add the LRT 1130 to Perfect Fleet

March 14, 2023 - National News

Las Vegas, NV Bigge Crane and Rigging Co. has announced the addition of Liebherr's newest LRT 1130-2.1 rough terrain crane to its Perfect Feet® at ConExpo 2023. This German-engineered crane features 140 US-ton lifting capacity and the longest telescopic boom of any 2-axle rough terrain crane globally.

Adding this piece of equipment to Bigge's Perfect Fleet further cements its reputation as one of America's leading suppliers of heavy lift cranes for industrial and commercial construction projects. With an impressive selection of over 1,800 cranes that now includes the Liebherr LRT 1130-2.1, Bigge remains a reliable source for all heavy lifting needs for customers coast-to-coast.

At the celebratory event at ConExpo, Bigge and Liebherr celebrated their successful long-standing partnership. "We are excited to add our first Liebherr Rough Terrain crane to our Perfect Fleet. The 140-ton RT fits perfectly between the nation's largest fleet of 130 and 160-ton RTs," said Weston Settlemier, president and CEO of Bigge Crane and Rigging Co.

Pierre Bilgeri, Division director of Mobile and Crawler Cranes for Liebherr USA, said, "We are incredibly excited that the Liebherr LRT 1130-2.1 is joining Bigge's Perfect Fleet."
