White Plains, NY Stella, a 28-story, mixed-use residential tower featuring 380 luxury apartments, has won the Westchester Home 2023 Builders Award as the Best Luxury Multifamily Development.

The award was presented at the Builders Awards program held March 30 at CV Rich Mansion. Stella is developed by WBP Development LLC and LMXD, an affiliate of L+M Development Partners.

Located at 10 Le Count Place, Stella residences have floor-to-ceiling windows, stainless steel appliances and terraces or balconies in select residences with panoramic views of the Long Island Sound and the Manhattan skyline. Stella also features first-class amenities such as a roof-top outdoor swimming pool, chef demonstration kitchen and bar lounge. There is also a pet spa with an outdoor pet play area.

Stella is designed by architectural firm Beyer Blinder Belle. Exclusive marketing and leasing are being handled by the marketing directors.

“We are honored to receive this very prestigious award from Westchester Home. This award is a testament to our incredible team of professionals who have helped make this project a reality,” said James Wendling, COO of WBP Development.

“Congratulations to everyone who contributed to the success of this beautiful building, in particular to the architecture and interior design teams at Beyer Blinder Belle. In addition to its award-winning design, Stella is also a leasing success with its homes now fully occupied,” said Katherine Kelman, managing director of LMXD.
