

## **2023 Ones to Watch Rising Stars: Chiara Aletti, Plaza Construction**

May 16, 2023 - Spotlights

Chiara Aletti  
Trade Project Manager

## Plaza Construction

Number of years at firm: 7.5

One thing on my bucket list: Becoming senior project manager.

When I am not working, I am: Walking around discovering New York and traveling domestically and internationally whenever I can.

What recent project, transaction or accomplishment are you most proud of? I am currently working as interior project manager for a 73-story residential tower in Manhattan. I originally started as assistant project manager on this same project, and I am proud now to be fully responsible for the interiors. I am looking forward to applying what I learned from my predecessor (and mentor!) to complete this project successfully.

What makes this nominee a RISING STAR?

“Chiara has proven herself to be a very reliable colleague and has grown in skill and experience to become one of Plaza’s most valuable assets. In the demanding New York City environment, she has been instrumental in the success of such projects as 565 Broom St., 888 Broadway, 125 Greenwich and most recently a tennis arena.” - Thomas D’Ercole, Executive Vice President at Plaza Construction
