

**2023 Ones to Watch Rising Stars: Michael Schattner,
Rosewood Realty Group**

May 16, 2023 - Spotlights

Michael Schattner
Managing Director

Rosewood Realty Group

Number of years at firm: 2

One thing on my bucket list: Sitting court side with Mark Cuban.

When I am not working, I am: Spending time with my wife and four children or playing tennis.

What recent project, transaction or accomplishment are you most proud of? In April of 2022 I closed on The Lakes at Collier Commons in Land O Lakes, FL. This was a beautiful 2004 vintage property consisting of 252 units. The total purchase price was \$71 million and despite volatility in the debt market it was an extremely smooth transaction.

What makes this nominee a RISING STAR?

“In just a few years Michael has climbed to the top in our firm. He has the ability to run an exclusive process and find that perfect single buyer in the off-market space. Michael has developed deep relationships with his clients and would drop everything to be of service to them. I’m truly looking forward to what the future has in store for him.” - Jonathan Brody, President National Sales at Rosewood Realty Group
