

## Reidy Contracting Group honored for Warner Brothers Discovery global headquarters

June 27, 2023 - Design / Build

Manhattan, NY Reidy Contracting Group has received several awards for recent projects. These awards come from IDA, Architecture Press Release, World Design Awards and Architecture MasterPrize Awards. The Warner Brothers Discovery global headquarters was recognized a number of times. Located at 230 Park Ave. South, this 13-story building offers architectural character in its cast iron and terracotta structure, use of brick and classical proportions. This LEED+WELL-certified project was a full upgrade of a historic building in the Flatiron district.

“We are thrilled to receive all of these honors for our work on the Warner Brothers Discovery global headquarters,” said Pat Reidy, president of Reidy. “We have an incredible team and they are very deserving of this recognition.”

IFMA New York City Chapter named 2022 Awards for Excellence Winners. Reidy’s Warner Brothers Discovery global headquarters won 2022 Design & Construction of a New Facility (over 300,000 s/f).

IDA recently announced the winners of the International Design Awards. The new Warner Brothers Discovery Global Headquarters won Silver in the Interior Design/Office and Service Center Category. This project also received Honorable Mention.
