What recent project, transaction or accomplishment are you most proud of? One recent transaction I'm proud of was a rent stabilized multifamily property facing a time-sensitive loan maturity and had several delinquent tenants in legal proceedings. Our team successfully facilitated an off-market transaction, securing a buyer who closed the deal within 30 days. This timely resolution allowed the seller to pay off the loan and resulted in a mutually beneficial outcome for all parties involved.

What makes this nominee an Industry Leader? "Peter Matheos, an exceptional industry leader, dominates real estate with mastery in commercial sales, deep market expertise, and remarkable achievements. His visionary thinking, passion for development, community connections, and hands-on ownership make him an influential and inspiring leader. Displaying passion and resilience in NYC's real estate realm." - Isiah Thomas, Director at Matheos Realty Group.
