July 25, 2023 - Design / Build

Alisha Reiben

George Luis Cumella

Greenvale, NY Mojo Stumer Associates promoted two employees, Alisha Reiben and George Luis Cumella, to the position of associate.

Reiben, who has been an instrumental force in the firm's financial operations as controller, has consistently exhibited a high level of professionalism, integrity, and meticulousness in her work. Reiben's expertise in financial management, budgeting, and forecasting has been critical in driving the firm's continued growth and financial success.

Cumella, who has served as a dedicated project manager at Mojo Stumer Associates, has been an invaluable asset to the firm's success in recent years. With his profound knowledge and expertise in the industry, Cumella has consistently demonstrated exceptional leadership skills, attention to detail, and a commitment to delivering remarkable architectural solutions that exceed client expectations. His ability to coordinate complex projects and ensure smooth execution has earned him the respect and admiration of both clients and colleagues alike.

As associates, Cumella and Reiben will play integral roles in helping to shape the future of the firm. They will work closely with the firm's leadership team to drive innovation, foster collaborative partnerships, and further enhance the firm's reputation for delivering cutting-edge architectural designs and unparalleled client service.
