At

**Stony Brook University
College of Business™**

Farmingdale, NY The Real Estate Institute at Stony Brook University College of Business will hold a joint panel event on October 20th, 2023. The Fall Luncheon, titled "Reimagining the Modern Office Space," promises an exploration of the evolving landscape of work environments. This event aims to

bring together industry experts and thought leaders to share their perspectives on the future of office spaces in today's dynamic business world.

Join REI at SBU for an engaging discussion that will bring insight into the intricacies of reshaping the modern office space. As work paradigms shift, this event will dissect the emerging trends, technological innovations and design principles that are shaping the offices of tomorrow. The panelists will offer insights into the challenges and opportunities in adapting office spaces to meet the evolving needs of businesses and employees.
