September 26, 2023 - Spotlights

Rebecca Long, CPA
Director, Real Estate Group

Anchin

What recent project, transaction or accomplishment are you most proud of? As a new Director at Anchin, I've become more involved with the new business process. I enjoy meeting with potential clients and listening to their issues. In addition, I find it rewarding to discuss Anchin's capabilities, including the many services we provide and why we are a good fit for their firm. Many of these prospects have turned into clients, which has provided me with valuable learning experience and the drive to continue building new relationships.

What are the most important factors women in your industry should consider when choosing a firm to build their career with? I think it's important to choose a firm that will motivate you to do your very best and recognizes your hard work and dedication.

Who inspires you most? What qualities do they possess that inspire you? My grandma has always been my biggest role model. She has always championed hard work, persistence, and dedication.
