Remi Fink  
Senior Marketing Associate

What recent project, transaction, or accomplishment are you most proud of? I'm immensely proud of leading the Jafri Journal Fall Classic Executive Event. In this endeavor, I successfully secured sponsorships from DraftKings and architect Dan Choi. I had the honor to work with a fearless top woman entrepreneur, founder of Galant Collective, Emily Tyree. Furthermore, was humbled to be able to work with Jesse Clemente, COO of Noise Media, led by Forbes 30 under 30, Joe Laresca. This journey allowed me to establish connections and build relationships with numerous incredible individuals.

Why should this nominee be recognized in our Women in Commercial Real Estate Spotlight? "Remi Fink is a fast learner and adapts to change. Her collaborative approach is special and her ability to collaborate with media executives is unmatched. Remi advised Jafri Journal to launch IG TV and Podcasts which we are planning for Q1 2024. Remi has separated herself from the crowd and is "rookie of the year" media top talent." - Shahid Jafri, Founding Principal and CEO/CIO at Jafri Group.
