What are the most important factors women in your industry should consider when choosing a firm to build their career with? When building your career, consider the firm's values. Prioritize a firm where you can shape your environment and ask questions. Find somewhere you can seek out networking events and make connections within the industry.

Who inspires you most? What qualities do they possess that inspire you? Working mothers. The resilience displayed by working mothers is unmatched. With their drive for success, unparalleled time management skills and true dedication, working mothers strive for excellence in both their profession and home. No one works harder than a working mother.
