

2023 Commercial Real Estate Visionaries: Eric Brody, ANAX Real Estate Partners

November 14, 2023 - Spotlights

Eric Brody
Managing Partner

ANAX Real Estate Partners

Through ANAX Real Estate Partners, Eric is aiming to deploy between \$150-\$200 million in capital over the next 18 months, focused primarily on middle-market multifamily and commercial assets across New York City. With these funds, Eric intends to stabilize these assets and bring them to completion.

Who inspires you most? What qualities do they possess that inspire you most?

I host a podcast, Real Tech Talk, where I initiate conversations with the brightest minds behind innovative proptech and contech startups. Every episode, I learn something new from groundbreaking entrepreneurs revolutionizing the world of real estate, which inspires me to be a disruptor in the traditional building and development industry.
