

JRM Construction completes headquarters for Rémy Cointreau

December 12, 2023 - Front Section

Manhattan, NY JRM Construction Management has completed a project for Rémy Cointreau, a leading international premium spirits distributor. Their new headquarters, spanning 29,850 s/f, is located on the 20th floor of Rudin Management's 3 Times Square tower.

Under the guidance of JRM, and in collaboration with TPG Architects, RDA, and Cresa Project Management, the team crafted a full-floor headquarters. The space includes collaborative work areas, and features high-end bars, perfect for hosting company events and entertaining clients. Additionally, the new conference rooms are equipped with presentation capabilities.

Marc Reissman, executive vice president at JRM, said, "Collaborating with Rémy Cointreau to bring their vision to life was a true pleasure. The attention to detail and seamless integration of artistic elements in the design reflects the brand's essence perfectly. This project stands as a testament to our commitment to excellence and our ability to transform visions into inspiring realities."
