What person, project, transaction, or market trend had the greatest impact on your industry this year? The rapid adoption of smart elevator technologies significantly impacted our industry this year. These systems are revolutionizing urban vertical transportation, enhancing both efficiency and safety.

What was your greatest professional accomplishment or most notable project, deal, or transaction in 2023? In 2023, my most notable achievement was overseeing the successful integration of three acquisitions at Champion Elevator. This pivotal move, combined with exceptional teamwork and camaraderie, led us to reach a monumental milestone of 6,568 units under monthly maintenance contracts, a testament to our team's dedication and excellence.
