What person, project, transaction, or market trend had the greatest impact on your industry this year? In response to dynamic market shifts, Lipsky Construction has evolved into a true one-stop turnkey operation through our developer-focused construction management services. Lipsky's construction management division has grown by over 400% in the last year. As we expand our construction management services weekly, Lipsky Construction's reputation drives us into new sectors, solidifying our position as an industry leader.
