

LERA Opens new office in Jaipur, India

January 30, 2024 - National News

Jaipur, India LERA Consulting Structural Engineers (LERA), a structural engineering consulting firm based in New York, has opened a new office in India. The office is under the leadership of Nayan Trivedi P.E., partner at LERA and Deepesh Gupta, senior associate at LERA.

“We are proud to serve our clients in the Golden Triangle region of Northwestern India.” Trivedi, stated.

With over 100 years of experience and projects in 59 countries, LERA’s reach continues to expand worldwide with additional offices in New York, Shanghai, Mumbai, Hong Kong and Seoul.

“Our newest office in the Pink City is a testament to LERA’s commitment to the India market.” said Gupta.

Working in India since 2005, LERA has led the structural design of more than 60 towers, including the Lodha World Towers; Three Sixty West, Worli; the new Satsang Hall for the Shrimad Rajchandra Mission; IT campus for Infosys Ltd, Residential towers with K Raheja and Godrej, ; Rupa Renaissance – steel tower; numerous residential/mixed-use developments for Oberoi Realty and Lodha; and the upcoming Birla Niyaara Worli 75-story residential towers.
