What do you like best about being a woman in the AEC industry? What I appreciate most about being a woman in the AEC industry is witnessing the positive shift in recognition and equality. It’s refreshing to experience equal opportunities as an immigrant, marking a notable change in times within this dynamic field.

What is your favorite building in New York? My favorite building in New York is 56 Leonard St. What captivates me about this slender structure is its remarkable strength. The skyscraper, standing at 821 ft. tall, boasts a distinctive facade resembling stacked building blocks.
