Victoria Owotomo, LEED AP BD+C  
Senior Project Manager

Hunter Roberts Construction Group, LLC

“Victoria is a highly skilled Senior Project Manager with extensive experience in the construction industry. She has exceptional leadership abilities, extensive contract knowledge, and a proven track record of surpassing expectations. Her contributions and achievements demonstrate her value as a key asset to any project team.” - Joe Russo, VP, Project Executive at Hunter Roberts Construction Group, LLC.

What recent project, accomplishment or award are you most proud of? I have had the privilege of working on award-winning luxury residential projects such as 53 West 53 and One57, each exhibiting unique design and constructability challenges. Currently, I’m proud to be leading the Green-Wood Education and Welcome Center project for Hunter Roberts Construction Group, slated to achieve LEED Gold.
