

2024 Women in Construction: Tammy Smith, Alban Construction

March 26, 2024 - Spotlights

Tammy Smith
Executive Vice President

Alban Construction

“Tammy Smith, Partner and Executive Vice President of Alban Construction, LLC, boasts over four decades of expertise in construction management. From property management to leading Manhattan building renovations, her insight ensures client needs are met while maintaining high standards. Recognized by industry publications, Tammy guarantees timely, budget-friendly project delivery.” - Tim Shaw, Sr. Project Engineer at Alban Construction.

What do you like best about being a woman in the AEC industry? Women finally have a seat at the table. We are able to assist design and engineering teams and other services surrounding the planning and building of commercial and residential projects. We have become an integral part in the implementation of multi-million dollar design and construction projects with equality.
