

Outsource Consultants joins PMA in Lavelle School for the Blind fundraiser

April 30, 2024 - Design / Build

Bronx, NY Outsource Consultants, Inc., expediting, building code, and zoning experts, has joined Project Management Advisors (PMA), real estate advisors with projects across the nation, in an art supplies fundraiser for Lavelle School for the Blind. The event, titled Palette & Purpose, will run from April 2nd to May 16th. Outsource, PMA, and the Lavelle School would love your consideration to support the students by purchasing art supplies through the students' Amazon wishlist. A huge source of inspiration for this event is the remembrance of Joshua Rubin from PMA, who cared deeply about the school and its students.

Established in 1904, Lavelle School offers a supportive and inclusive learning environment for students with visual impairments and other disabilities. This fundraiser aims to help these young students reach their full potential through creative expression and art classes. The Amazon wishlist contains essential items for these classes, which are sent directly to the school after purchasing.

As thanks for participating, the students at Lavelle School are offering gifts for those who choose to support.
