When did you discover NYREJ and what was your title and company name at that time?

It was 2014 and I had just made the move from teaching to my first marketing and communications role at Lendlease.

How has NYREJ helped you, your firm or your industry?

NYREJ is a longstanding champion of the built environment and the people who make it. The paper gives space to the important but often under-the-radar stories that move the needle for the industry and the metro area.

Favorite NYREJ spotlights:
