Romer Debbas, LLP

Most memorable “15 minutes of fame” in NYREJ:

Back in 2014, our firm brought on a large group of professionals from a firm called Hofheimer Gartlir & Gross. After over 100 years in existence, Hofheimer dissolved that summer. This was the first big expansion of Romer Debbas, LLP and was the start of the rapid growth of our firm that helped us go from two lawyers to over 25 in our first 10 years in business. The NYREJ named us “Company of the Month” after this news came out and made our firm the focus of the cover of the paper which we still have framed in our office as a keepsake!
