When did you discover NYREJ and what was your title and company name at that time?

I discovered NYREJ in 2021, and at that time, I was an associate attorney at Offit Kurman, P.A.

How has NYREJ helped you, your firm or your industry?

NYREJ has broadened my view into the New York real estate market's events and trends. As a litigator who tends to focus on cases in select areas of the industry, NYREJ has become a key resource for following developments in other types of cases.
