Which professional organization(s) would you recommend to women just starting out in your industry:

The Commercial Industrial Brokers Society of Long Island (CIBS) is a collegial organization made up of CRE brokers and affiliated professionals. They offer educational seminars, provide mentoring relationships and create numerous opportunities to network with your industry peers. They also have a Women's Committee (CIBS-W) that focuses on the needs of professional women in CRE.

The Women Economic Developers of Long Island (WEDLI) is also a great group to connect with. It is a unique organization of professional women that has been dedicated to promoting the growth of the Long Island economy for the past 40 years.
