Steve Gorski

Chicago, IL According to Portier USA, Steve Gorski has joined the company as vice president. In his new role, the parking and mobility industry veteran will oversee Portier's operations throughout the United States. Portier is one of the world's leading providers of parking guidance technology, and a pioneer in the use of artificial intelligence to improve parking guidance.

"We are excited that Steve Gorski has joined the Portier team," said Jussi Tomperi, managing director of Portier USA. "Steve is a highly respected parking and mobility industry leader, and he is an invaluable addition to our team. Portier is already one of the industry's fastest-growing parking guidance technology providers, and Steve will be instrumental in managing our continued growth throughout the United States."

Gorski is a parking and mobility industry leader with more than 20 years of sales, marketing, and executive management experience. Prior to joining Portier USA, he served as CEO of U.S. Operations for Designa Access Corporation, a provider of software-controlled car park management systems, and U.S. managing director for Cleverciti Systems, a mobility management technology provider. Prior to that, he was US managing director for TKH Security Solutions, Inc., a manufacturer of security, video, and parking guidance technology. He is a resident of Oak Park, Illinois.

"I'm thrilled to be joining the Portier team," said Gorski. "Portier USA one of the industry's most innovative parking guidance technology providers, and I'm excited to lead the company's dynamic team in the United States."
