The 2025 Women in Construction Spotlight in the New York Real Estate Journal is set for release on February 25th, in honor of Women in Construction Week (March 2-8). This special issue will spotlight the incredible women and women-owned firms making a lasting impact across the New York A/E/C industry.

Two Ways to Participate:

1. Recognize a Woman from Your Firm

Nominate one woman from your firm to participate by filling out a Q&A profile form. All submitted profiles will be published online and in print/digital format where space allows.

2. NEW! Feature Package for Women-Owned A/E/C Firms

We're excited to introduce a new opportunity for women-owned A/E/C firms to showcase their

achievements and leadership in the industry. This exclusive package allows your firm to be featured in a Q&A-style editorial piece that will highlight your journey, key milestones, leadership philosophy, and the impact of your work. It offers a platform for you to share your firm's story, challenges, and successes, while also inspiring the next generation of women in the industry.

Deadlines:
