What do you do now and what are you planning for the future? Commercial real estate lender; I'd like to stay as an originator as long as I can.

Hobbies: Running, biking, coaching Little League soccer

Favorite book: I like all of the John Grisham novels!

Favorite movie: "Mr. Holland's Opus"

Person you admire most (outside of family): Jeff Bagwell, former Houston Astros player. Great guy, works hard, nice to everyone.

Key to success: I just remember that today is the only day that I have and I must play it to the fullest.

If you had to choose another vocation what would it be? Meteorology (study of weather), or calculus professor
