

## **Del Dausman 2009**

January 12, 2009 - Owners Developers & Managers

Name: Del Dausman

Title: Senior Vice President

Company: C&S Engineers, Inc.

Location: Syracuse, N.Y.

Year of birth: 1951

Family: My wife Chris, and 3 sons

College: University of Kansas

First job outside of engineering: Project manager for a national mechanical contracting firm in the Midwest

First job in engineering or allied field: Black & Veatch, Special Projects Division in Kansas City

What do you do now and what are you planning for the future? I've been fortunate to be part of the C&S leadership team for the past 18 years and have enjoyed being involved in several aspects of our business. C&S currently has over 400 employees that engage in full-service engineering & architectural design, construction management, construction contracting and operations.

Hobbies: Hiking in the Adirondacks, sailing and traveling with Chris

Favorite book: "1776" by David McCullough

Person you admire most (outside of family): Abraham Lincoln

Keys to success: Integrity along with persistently matching your passion and skill set to economically rewarding opportunities

If you had to choose another vocation what would it be? Probably something engineering related; in recent years I have gotten more involved in the energy sector which has tremendous growth potential.
