

SUNY at Fredonia selects Picone Const. to rebuild lavatory facilities

January 27, 2009 - Front Section

Picone Construction Corp. has been chosen by SUNY at Fredonia to reconstruct new lavatory facilities in the lower level of the Williams Center on the campus.

Renovations are underway and will include new men's and women's restrooms as well as the addition of locker rooms and showers. The restrooms and locker rooms will have a new look and will feature reflective ceiling lighting, high impact colors, cloud ceiling system, ceramic tile, solid surface counter tops and all new plumbing fixtures with stainless steel accessories.

Established in 1931, Picone specializes in general construction, construction management and design/build services.
