What do you do now and what are you planning for the future? FXFOWLE is a 31 year old architectural, planning and interior design firm committed to design excellence, social responsibility and sustainability with offices in New York and Dubai. I am currently working on conceptual and schematic design for a mixed-use residential project and a dormitory, and construction administration of a large residential mixed-use project. I recently completed construction administration on Archstone Clinton, which just received a 2009 NYC Big Apple Brownfield Award for Best Green Building.

Hobbies: Woodworking, gardening, playing the clarinet and saxophone

Keys to success: Determination, focus, positive attitude and attention to detail

If you had to choose another vocation what would it be? Silviculture
