What do you do now and what are you planning for the future? I recently joined Langan as senior marketing manager in their N.Y.C. office. Langan is a premier land development engineering and environmental consulting firm with 14 offices in 8 states and several international locations. I will be managing the marketing efforts for the N.Y.C. office, collaborating with principals and senior staff, while also coordinating with overall corporate marketing initiatives, to further develop client relationships and project opportunities. I will lead the N.Y.C. marketing staff in working together to continue to build on process efficiencies, promoting professional and career development, and supporting Langan's growing international business in the Middle East, Europe and the Caribbean.

Hobbies: Gardening, fishing, reading traveling

Keys to success: Building relationships, flexibility, helping others achieve success, perseverance
