What do you do now and what are you planning for the future? Sales rep for commercial carpet manufacturer. Every day is different because my territory ranges from lower Westchester to the tip of Suffolk County. I plan to stay as long as they'll have me!

Hobbies: Bicycling, reading and lately, Facebook

Favorite book: (That's a tough one). I love Nelson DeMille - maybe his classic, "The Charm School"

Favorite movie: "The Departed," although my romantic side loves "The American President"

Persons you admire most (outside of family): Lately, no one of any celebrity status. Most of the time I admire my kids the most.

If you had to choose another vocation what would it be? If I had unlimited funds and more talent as a cook, I would open up a bed and breakfast in a warm weather climate. I love meeting people from different places.
