

Real Estate Investment Securities Association to host Monthly Webinar Series

July 13, 2009 - Financial Digest

The Real Estate Investment Securities Association (REISA) will host a monthly webinar series on current topics in the real estate securities industry.

This webinar series will include webinars on all product lines and aspects of the real estate securities industry including: REITs, notes, funds, debenture programs, tenant-in-common (TIC) and Delaware statutory trust (DST) structures and oil and gas programs. REISA strives to provide education and tools to help real estate securities professionals navigate the challenges of today's economy and marketplace.

"REISA's webinar series gives members and industry professionals educational tools and resources to improve their businesses without ever leaving the office," said Katherine Finley, REISA executive director.

The next webinar will be Thursday, June 25, 2009 on the life cycle of a REIT. This webinar will address all aspects of REIT offerings including how REITs are formed, how they will benefit investors and how to utilize different REIT options.

Each webinar is free for REISA members and \$79 for nonmembers.

Upcoming 2009 Webinars:

July 23: How to Evaluate Note, Fund & Debenture Programs

July 28: RealShare TIC Webinar, \$39 for REISA members

August 27: Practice Management

September 24: Understanding Management Contract vs Master Lease in TIC & DST Structures

October 29: Benefits & Risks of Oil and Gas Programs

November 19: Defining Asset Classes within REITs

The entire webinar schedule can also be found at <http://www.reisa.org/sections/education.schedule.php>.

The Real Estate Investment Securities Association (REISA), formerly known as the Tenant-In-Common Association (TICA), is a national trade association for professionals who offer and distribute securitized real estate investments. TICA was formed in 2003 to promote and support those involved in the fractional ownership or tenant-in-common industry. These offerings represent all fractional interests in land, commercial real estate, energy and natural resources including DSTs, TICs, funds, partnerships and REITs sold on a securities platform. REISA promotes the highest ethical standards to its members and provides education, networking opportunities and resources.
