

## **Company Profiles: Axiom Capital**

September 04, 2009 - Financial Digest

Headquartered in Albany, Axiom Capital is a nationally recognized leader in the commercial real estate financing industry. Since 1993 they have been providing clients the most cost-effective and creative investment solutions for all facets of the industry including financing, mortgage brokerage, property management, financial advisory and consulting. Axiom's affiliate companies, Axiom Realty Management and Axiom Realty Advisors, were spawned from Axiom Capital's willingness and ability to envision the complete scope of our clients' needs and provide services for all aspects of their projects, from development and evaluation consulting to property management.

Axiom Capital has been involved in the structuring of \$3 billion in commercial real estate transactions nationwide since the company was founded. They have structured and/or placed \$2 billion of debt and equity for refinances, acquisitions or developments since 1998. Axiom's successful track record is a direct result of their long-standing relationships with some of the nation's top commercial real estate investment firms, financial institutions and additional capital sources.
