November 20, 2009 - Long Island

Forchelli, Curto, Deegan, Schwartz, Mineo, Cohn & Terrana, LLP hosted its grand opening party at the firm's new office in The Omni building.

Managing partner, Jeffrey Forchelli welcomed over 400 guests in attendance. "We have been here since the middle of the summer and this magnificent edifice is all that we had hoped it would be. It is a great place to practice law," said Forchelli.

One of the event's highlights was New York State Governor David Paterson addressing the crowd. The program concluded with Forchelli thanking guests for over 30 years of support and the elected officials who were in attendance for their participation in the event.
