

## **Company Profiles - Stern Environmental Group, L.L.C.**

December 04, 2009 - Owners Developers & Managers

Stern Environmental Group, LLC is a fully licensed and insured bed bug exterminator and pest management company. Operating in New York City, New Jersey, New York, and Long Island, N.Y. for over 10 years, Stern Environmental Group has become a leader in bed bug control, pest control and pest management solutions in the N.J., N.Y., and NYC metro areas.

At Stern Environmental Group, they understand the nuisance and hassle bed bugs and pests bring to your establishment and how their presence can adversely impact your business quickly. With our professional team of quality bed bug and pest control technicians, thorough pest inspections, and the latest pest control technology available, we build a pest management program that is customized to fit your needs and budget. When you need help with bed bugs, rats and mice, a variety of insects, and even nuisance urban wildlife, they are here to help!
