December 04, 2009 - Financial Digest

Deerwood Real Estate Capital is a commercial mortgage brokerage and advisory specializing in assisting clients in sourcing debt and equity. Their focus is across all commercial real estate asset classes including multifamily, office, retail, industrial, hospitality, and healthcare. They take on projects regardless of their size, with no transaction being too small or large. Deerwood stands apart from others in the industry through their commitment to customizing solutions to each and every client and our ability and willingness to serve not just as brokers, but as advisors.

Deerwood Real Estate Capital specializes in all types of debt financing, mezzanine and construction loans, bridge loans and financing loan purchases. They have extensive experience with all property types and offer expertise whether you are seeking loans for multifamily, office, retail, hotel, mixed-use, healthcare, industrial or self-storage properties.
