January 11, 2010 - Owners Developers & Managers

As J. Strong said, "loved the W...very trendy and hip. Can we go back?" I guess we will have to wait until December for another amazing holiday party organized by IFMA's programs committee. Until December 2010...so if you were not able to attend this past December, make sure you do not miss IFMA 2010 holiday party in December.

Both the awards committee and IFMA board of directors are looking forward to a terrific awards dinner banquet Thursday, January 21 at The Pierre Hotel (2 East 61st St.). If you have not purchased your ticket for the awards dinner banquet, please make sure you do so before January 19.
