

Broad Elm Management to add 110,000 s/f, multi-tenanted building in Tonawanda's Riverview Commerce Park

November 26, 2007 - Upstate New York

Broad Elm Management Inc. and Erie County Industrial Development Agency are working together on an incentive package that will help with the financing of a 110,000 s/f, multi-tenant building in the 106-acre Riverview Commerce Park.

A Dec. 5 public hearing on incentives has been scheduled by the agency for the proposed \$5.1 million project.

This proposed building would be the second building to be built in the park. The first building is a 56,000 s/f building that is 85% leased with tenants as such Sherex Industries and MetalMart Inc.

The project is slated for completion at the end of 2008.
