

## **Financial Company Profile: Tremont Realty Capital**

January 25, 2010 - Financial Digest

Tremont Realty Capital, LLC is a leading commercial real estate finance company, providing its clients with a myriad of debt and equity products and the full spectrum of advisory services.

Tremont possesses the financial resources, industry expertise and product knowledge necessary to serve the needs of clients across the entire real estate capital spectrum. Tremont's clients range from local developers and investors to many of the nation's largest and most respected institutions. Their growth and broad market leadership has been fueled by a balanced credit and risk management culture, product and portfolio diversification, an experienced corporate management team and an unyielding focus on meeting their clients' needs.

The vision of Tremont is to become the premier provider of real estate capital, recognized for their innovative programs, network of relationships, first-class processes and talented people. The company's direct lending business offers clients a wide range of bridge, mezzanine, equity and permanent lending programs for acquisition, renovation and development financing. In addition, Tremont's investment banking advisory services include debt and equity placements, property sales and strategic and transaction-oriented consulting services.
