

## **The Window & Plate Glass Dealers Association highlights member Craftsman Storefronts & Glass for service to NYC**

February 22, 2010 - Long Island

The Window & Plate Glass Dealers Association of New York has highlighted member contractor Craftsman Storefronts & Glass (Craftsman) for its dedicated service to the New York City construction industry.

Craftsman is a full service glazing subcontractor that has been serving the construction industry in New York for over 20 years. Craftsman's extensive experience in curtain walls, storefronts, glazing, aluminum entrances, FRP entrances, entrance hardware, mirrors, and ornamental metals has allowed the company to service buildings in the five boroughs as well as in Suffolk, Nassau, and Upstate New York. Bill Prydatko is the president of Craftsman.

Craftsman's engineering department uses computer equipment and software to provide shop drawings to their large range of clients. The company has recently completed projects for clients such as Southwest Air, MTA, AOL @ Time Warner Center, and BMW.
